

ZZ Racing Black Aramid Laminate

ZigZag reinforced aramid racing radial laminate for the racing sailor

Contender Racing laminates are favourites among racing sailors from club to international level. Our **ZZ Black Aramid Laminates** made with **ZigZag** yarn technology enable you to have a sail made of radial panels that matches the modern rigging of your dinghy or racing yacht. The result is fast and durable sails that have proved themselves time and again on the racecourse, thanks to their wide trimming range and the great durability.

Thanks to continuous innovation in collaboration with sailmakers and yachtsmen throughout the world, we have successfully developed a technologically sophisticated range of laminated sailcloths that meet the highest demands of modern sail design.

ZigZag technology

0.75 mil Mylar film

0° black aramid

90° black aramid

12° black aramid

0.75 mil Mylar film

ZZ Racing Black Aramid Laminates

Our **ZigZag** fibre layout ensures efficient support and distribution of the loads over the radial panels in your sail. The effect of this fibre layout is to reduce the load on the Mylar film, helping the sail to retain its shape longer.

Black Aramid fibre great performance combined with good flex and improved UV resistance.
